

Inductive Bible Study Method

1. Observation

- Who is speaking?
- What are the key words and phrases?
- What is the theme of the chapter?
- What is the big rock truth in this chapter?

2. Interpretation/Meaning

- What do you think Paul means?
- Why is this truth important?
- Understand the historical and cultural background.
- What is another way to say this?
- How would you explain this truth to a child?
- Consider the context of the passage.

3. Application

- How does this passage apply to my life today?
- What changes can you make?
- How would you challenge yourself to apply a truth?
- What actions should I take based on this teaching?
